

Year 6

Autumn Term

We are excited to be teaching the children in Year 6 this year! We will be learning some new things, as well as lots of consolidation of work already covered in KS2. We will be setting expectations of learning behaviours and developing our independent learning skills.

Reading

We will be using Destination Reader within our guided reading, learning how to use reading behaviours effectively and read with purpose and understanding. Our first text is Pig Heart Boy, followed by Nowhere Emporium.

Writing

We will start the term with a Grammar focus identifying different types of nouns and verbs and applying them to our writing. We will move onto writing non chronological reports about mythical creatures.

Maths

Our first unit will be place value and securing numbers within the millions, moving to ten million. We will then move on to addition and subtraction. We will also have daily Number Sense lessons and a focus on Maths fluency.

Science

We will be learning about Living Things and their Habitats. We will learn to classify them into different species by using their characteristics. We will then move on to the circulatory system, learning about the human body and how it works.

Physical Education

Indoor PE

Boot Camp and Mighty Movers

Outdoor PE

Tag Rugby

My Happy Mind

We will be learning about different parts of our brain and how they work.

Art/ DT

This term, we will be using mechanical structures to create a mechanical toy. In art we will be looking at 2D to 3D sculptures and will create an animal using these skills.

Computing

We will be learning about how to use online data, how to keep our data safe and creating a web page to share information.

Music

Music and technology
Developing ensemble skills

MFL

Presenting myself
Do you have a pet?

Key dates:

Fairthorne Manor residential - tbc

21st November 2025- INSET Day
