

Year 4

Summer Term

Welcome back to the summer term, with lots more exciting learning ahead! Year 4 will be learning about the Ancient Romans as their history topic, with links to our reading and writing too. We will continue to work hard on our times tables, with our MTC (Multiplication Tables Check) at the beginning of June so please keep practicing.

Reading

We will be continuing to use Destination Reader within our guided reading, learning how to use reading behaviours effectively and read with purpose and understanding. Our reading will be based on the Ancient Romans, as well as looking at other texts and reading independently.

Writing

We will continue to apply our grammar learning to our sentences this term, along with retelling texts aloud and writing based on our learning on the Ancient Romans.

Maths

We will be continue revisiting skills previously learnt this term, as well as fractions and decimals, time, shape and statistics. We will continue to work hard on our times tables with our Number Sense lessons.

Science

We will be learning about sound and investigating how sounds are made. We will also be learning about living things and their habitats. We also look forward to some fun investigations as part of our learning in science.

Physical Education

Our PE this term is:
Step to the Beat and Nimble Nets.

Please ensure your child is PE ready with the correct kit (black shorts/trousers, a white T-shirt and a black jumper).

PSHE

We will be using 'My Happy Mind' and building on previous learning.

RE

Ceremonies – Resurrection
Suffering- Siddhartha

Art

Our unit is called 'The Art of Display' and we will be working in 3 dimensions.

D&T

Textiles – making a book sleeve.

History

We will be learning about the Ancient Romans, with the specific skill of Consequence, historical significance

Computing

We will be learning about the internet and staying safe online, as well as programming and data logging.

Music

We will be following the Charanga Music curriculum once more this term.

MFL

We will be practicing basic skills in French, including colours, numbers, greetings and animals.

Key dates:

-

Home learning:

- 20 minutes of reading a day
- 10 minutes of times tables practice a day (TT Rockstars, URBrainy or Hit the Button)

Proud to be part of the **UNIVERSITY OF CHICHESTER ACADEMY TRUST**
